P.S. 347, THE ASL & ENGLISH LOWER SCHOOL, is an official charity partner of the TCS NYC 2022 Marathon. Help us raise \$21,000 to support our kids!

As a Title 1 school, the majority of our families are Deaf and BIPOC, and many struggle financially for multiple systemic reasons. They don't have resources to spare and depend on us for more than just basic education for their children. We'll use our marathon funds to continue and increase our support of P.S.347 students and staff; add in arts enrichment programs; and contribute to our school pantry program, which helps our families who are most in need.
